*Design Mixology spotlights innovative design in various domains such as showrooms, bars, clinics, spas and much more.*

## PIRAMAL ARANYA, MUMBAI

Piramal Aranya, located in Byculla is a project of Piramal Realty and offers luxurious living facility in a crowded city like Mumbai. Built across 7 acres, it comprises of various amenities like a gym, spa, table tennis, library, café, etc.

As soon as you enter the pavilion, you are welcomed by the lively reception lobby adorned by the light stone floors and green onyx feature walls. Mood lighting and use of opulent elements are seen throughout the pavilion. The interiors of this magnificent development are designed by Cormac Lynch and HBA, and Make Architects are the principal architects.

In sync with its name 'Aranya' which means forest, it is designed to establish a deep connection with the surrounding landscape and the choice of materials, patterns and the colour palette has been used in accordance. Use of polished stone and textured timber gives the overall space a palatial and graceful vibe. Private residences incorporate ample light and ventilation due to outdoor terraces, enhanced by rich and luxurious materials. Amidst the Victorian architecture, gardens and monuments, Piramal Aranya boasts of its contemporary yet classic design.
